CLIFFORD SEARS PLAQUE

It was the desire of the Senior Class that this page be dedicated to the memory of Clifford Sears, a former classmate.

Each year Mr. and Mrs. Sears have awarded a trophy to a member of his class, whom the faculty selected by secret ballot, keeping the following characteristics in mind: scholarship, friendliness, originality, industriousness, co-operativeness, honesty, dependability, courtesy, morality, and sportsmanship.

Mr. and Mrs. Sears also presented this plaque to the school as a permanent record of the members who won the award.

The trophies have been awarded to the following members of the class:

1938	Clark Barker
1939	Betty McDonald
1940	Mildred Williams
1941	Ruth Gentry
1942	Donald Boone

Although this play was a comedy and kept the audience in constant laughter it had a constructive side to offer in the problems of parents, and their children.

Emily Early is sincere in her effort to shield her children from hardship and error, but in doing so has deprived them of opportunities to think and act for themselves.

Richard and Emily are persuaded to go on a cruise, leaving the maid in charge of the household, and Hope, the financial matters. Here they have many troubles and are faced with a lawsuit when Bob has a wreck; but Sanford Wells, a young attorney, comes to the rescue.

After Richard and Emily return home both sides have come to the conclusion that it is a good thing to be a bit "foot-loose."

This play tells the story of the Beldinkers as a likable family of crackpots. As the story begins Launcelot is in the midst of a campaign for Congress. Aspasia, his wife, is writing an opera without music or words. Aay, a health fanatic, is training for a six-day bicycle race. Bee is painting a modern picture. See is just expressing herself, "with a hammer." Grandma Dimity is clipping more coupons and entering radio contests. The Beldinkers' downfall comes when they buy a 37-volume encyclopedia from Jonathan Q. Pypus, on payments. These payments result in their losing their furniture and home. The last scene is brightened by Grandma winning two contests and Launcelot gets a job with the government.

Frank Anderson—"Jew" was a great forward and also proved his worth by playing pivot man when called upon. Being a Senior he will be missed greatly by all who saw the Bulldogs play. He scored a total of 164. Too bad this was your last year, Jew.

Kenneth Woodward—"Kenny" played at the forward position. He was a hard driver and it seemed he was never down. Kenny scored a total of 196 points. Many will never forget those left-hand pivots. Being only a Sophomore, Kenny has two more years to do battle for the Bulldogs. Keep going, Kenny.

Henry Smith—"Smitty" proved to be a very flashy center. Being only a Junior much is expected of him next year. He stood second in scoring by having a total of 171 points. Nice going, Smitty.

Clark Barker—"Clark" kept one of the guard positions down and proved he could handle it very well. Many fans will remember those long ones, Clark. He scored 170 points, mostly far out. We hate to see him go.

Hank Gladback—"Hank" played a guard position and was a stand-out performer all year. He broke up many plays that were started for points. Hank scored 150 points and seemed to score when least expected. Being only a Junior he will have a chance to prove his worth next year. Some boy—this Gladback.

Charles Baker—"Charlie" was the sixth man of the team and ably filled in most any position when called upon. He was a very hard worker who never gave up. His total points scored were 69. Being only a Sophomore he has two years more to show this same spirit.

Marvin Dell—"Marvin" ably filled any position when he was put in the game. Marvin is also a Senior and scored 11 points.

George Parker—"Bud" being a Junior will have another year with the Bulldogs. He was always a help when needed. 2 points.

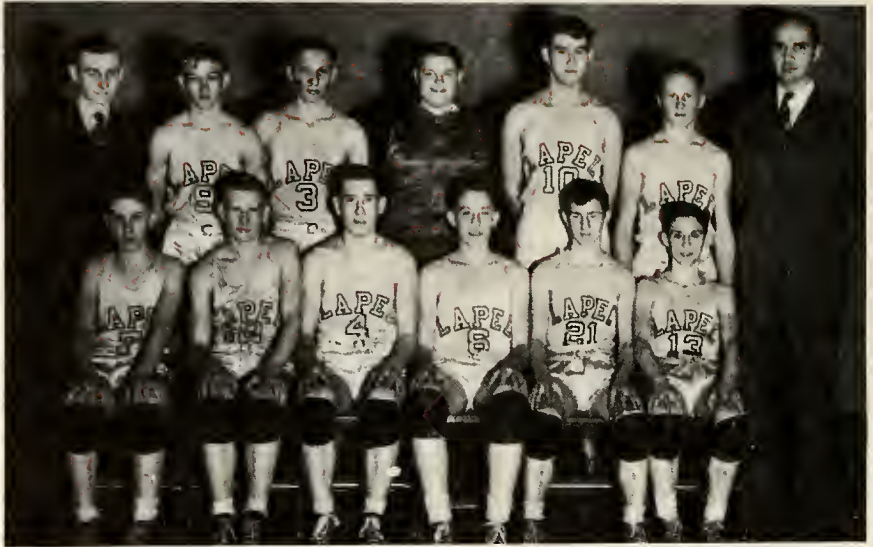

Phillip Halsey—"Phil"—Although only a Sophomore he has proved he knows how to play basketball. Much is expected from him in the next two seasons. He scored 1 point.

Hilbert Reddick—"Hib" was the fastest man on the team and being only a Junior he also will be expected to help much next year. 3 points

THE VARSITY

This season the Lapel basketball fans had the pleasure of backing one of the smoothest working offensive and defensive teams ever to be produced at Lapel High School, under the guidance of Coach Mark Williams.

The Bulldogs finished the season by scoring 19 straight victories of scheduled play, losing only the first to Fortville by 1 point, but the Bulldogs gained revenge later in the season by defeating them 53 to 14.

Among the most outstanding victories of the Lapel Bulldogs, this season, were Wiley of Terre Haute, Greenfield, Shortridge, Seymour and Lebanon. These teams were acknowledged as a number of the state's top ranking teams.

The Lapel Bulldogs went to the Sectional Tournament, at Anderson, this season as the favorites, but were defeated in the finals by the Anderson Indians after leading through three quarters of the game. Earlier in the tournament they defeated Frankton and Summitville.

We will expect much out of next year's squad although they lose three Seniors, Frank Anderson, Clark Barker and Marvin Dell.

Our team has set a record, in season play this year, which we hope the teams in the future will follow.

BASEBALL

Next year's baseball squad will suffer the loss of the two Senior squad members, Sam Robb, catcher and Frank Anderson, pitcher. Robb led in hitting by batting .475. The feature of the season was a no-hit game, over Pendleton, pitched by Frank Anderson; without the help of the other squad members this would not have been possible.

Next year the team anticipates a very successful season. We wish the team good luck.

Jay Burke, a member of the squad for three years, was unable to show his basketball ability in his Senior year, because of knee injuries. Jay will be remembered in the eyes of the public due to the ability he showed with the team of '40.

RAPP'S

DEDICATED TO WHOM IT MAY CONCERN

Mr. Wise is my teacher, I shall not pass.
He maketh me prepare hard lessons and giveth me low grades.
He kicketh me out of class and leadeth me in the paths of flunking
for his name's sake.
Yea, though I walk through the valley of the shadow of death, I can
do no better for thou won't help me.
Thou makest me go before my classmates and show my ignorance.
My patience runneth out.
Surely dumbness and stupidity shall follow me all the days of my
life and I shall dwell in Lapel High School forever.

MOTTOES

If you put forth the effort you can truthfully say "I tried."
Some use school as a *study time*.
Others use it as a *past time*.
You don't have to be a basketball player to take a friendly tip.

A TRIBUTE TO OUR TEACHERS

Some like to scorn our teachers, and scold them for their wrongs, but
for our success in life deep in their hearts they long.
No one is perfect as all smart people know, but give some credit to
the faculty, for the effort that they show.
They'll do their best to teach us all the things that we should learn,
and if we take advantage of them, their heart will sadly yearn.
And as the years come and go, when we'll be presidents and preach-
ers, there'll be a memory which lingers on. "There're no friends like
our teachers."

A note to the Seniors:
Plenty of people have a good aim in life.
But a lot of them don't pull the trigger.
